Roundhouse Radio Unveils Broadcaster Jody Vance As New Midday Host

VANCOUVER, BRITISH COLUMBIA—September 13, 2017 - Roundhouse Radio, 98.3 has added a nationally acclaimed voice to the heart of their weekday schedule with the addition of veteran broadcaster Jody Vance beginning Monday, September 25th 2017.

MIDDAY WITH JODY VANCE - 10:00 am to 1:00 pm (Weekdays): With energy, honesty and a wicked sense of humour, Jody will bring depth, topical conversation and her trademark wit to Roundhouse Radio middays. Expect lively conversations talking all things news, opinion, sports, parenting, pets, lifestyle and food. And that's just to get started!

Jody Vance brings decades of radio and TV experience to our airwaves both locally and across Canada — among many accomplishments, she has had her own national sports program, news anchor, host of Breakfast Television, and most recently she has been at CKNW talking about news and current affairs. Mother to a young son, she knows the path of parenting and holds a red seal in Culinary Arts so there may be a recipe or two to be shared every now and then...

Roundhouse Radio CEO Don Shafer: *"We are very excited to bring Jody's considerable talents to Roundhouse Radio on a daily basis. Her level of broadcast experience and professionalism runs deep. People will be tuning in for her signature style of conversation".*
